Host a baby shower
drive for newborns in
Sierra Leone

Help by:

- **Collect:** Host a Baby Shower Drive to collect baby kit supplies.
- **Assemble:** Put together complete baby kits with your group.
- **Pack:** Pack the baby kits into barrels for shipment.
- **Sponsor:** Cover the \$250 shipping cost

Every barrel we send helps equip RHCI's Birth Waiting Home with essential supplies for mothers and babies who often have very little of their own. Your time, donations, and generosity help families start life together with dignity and care.
